

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 21, 1995

SUBJECT: **SJR 51**

The Department of Transportation is directed to conduct a feasibility study to identify potential corridors between I-75 North and I 40/75 in Knox County for the construction of the western leg of a regional by-pass in northwest Knox County. The department has stated that such study has been agreed to and funding has been established.

The fiscal impact from enactment of this bill is estimated to be minimal.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
